

INFORMATION UPDATE

EXAMINATIONS | EXTERNAL ASSESSMENT

De 19/7/2026

Further to previous correspondence sent regarding this matter, please find the following update

Colégio Guadalupe external assessment institutional webpage

Continuous updates will be provided based on the provisions in the **NOVIDADES** section, which should be reviewed in its entirety.

NATIONAL FINAL EXAM CLASSIFICATIONS

Publication of Series 1 Results | National Final Exams

Colégio Guadalupe Students and Families may visit the school premises throughout the weekend to review the list of classifications displayed on the results notice board.

The publication of results notice boards on school premises, in hard-copy format, constitutes the sole official means of communicating examination results: No. 2, Article 60, Despacho Normativo n.º 3/2026, of 23rd February, which approves the examination regulations for the 2025/28 academic years

Exam classifications marked as "Suspensa"

These represent situations that have required additional analysis to conclude the marking process with due accuracy and are currently being resolved; examples include scripts dispatched late by schools or missing/blank variant papers and continuation sheets that do not match a standard student candidate number.

Schools remain fully prepared to receive the update files for the classifications in question at any moment and will proceed to contact the affected Students and Families immediately.

OFFICIAL COMMUNIQUÉ | XXV GOVERNMENT OF THE PORTUGUESE REPUBLIC | NATIONAL FINAL EXAM CLASSIFICATIONS FOR SECONDARY EDUCATION | Certain terms within this communication do not reflect the institutional events at Colégio Guadalupe inherent to the instructions received from the Júri Nacional de Exames.

Post-results review process for national final exams marked digitally [with the exception of exam codes Desenho A (706) and Geometria Descritiva A (708) *]

By 14:00 on 21st July 2026, digitalized scripts will be forwarded to the EMAIL address registered on the Examination Electronic Registration Platform (PIEPE).

Submission of application form - Modelo 09 - is not required.

In the event of any issues receiving the scripts, you are respectfully requested to report the matter to the Exams Office email address.

* Desenho A (706) and Geometria Descritiva A (708): students must contact their respective subject teachers for face-to-face guidance throughout this process – the review schedule is provisionally set for 20th July 2026.

Registration for Series 2 examinations on the Examination Electronic Registration Platform (PIEPE)
